Chairman Message

The CSI takes pride to be the largest and most professionally managed association for IT professionals in India. The purpose of the Society is to help students achieve scientific and educational excellence. It is directed towards the advancement of the theory and practice of Computer Science and IT. It has now grown to be a national body representing computer professionals with more than 1,25,000 members. The Kancheepuram Chapter was initiated with an objective to enhance and transfer technical knowledge between the Institute and Industrial Experts. It is quiet rewarding to note that the CSI Kancheepuram Chapter is regularly bringing out a Newsletter to publish the latest trends in technology and events related to Computer Science and Information Technology.

I am sure, this Newsletter will focus and upskill the fast growing technologies in Cloud, Network Security, Ethical Hacking and Cyber forensics, Information Technology and Internet of Things and many more emerging technologies for the benefit of the community.

With warm regards,

Dr. M. Murugan
Chairman, CSI-Kancheepuram Chapter
